

Planning Class: Based on the PMBOK®Guide

EVENT DESCRIPTION:

The PMBOK® methodology has been adopted around the world as the standard for project management. If you too would like to be part of the winning team, take this class as we walk you through creating the PMBOK®Guides's guiding document, The Project Management Plan. This half day seminar will guide you, step-by-step, through the PMBOK®'s planning process.

LEARNING OBJECTIVES:

- Learn the PMBOK® approach to planning
- Discover key considerations for effective project planning
- Create planning documents you can use in your everyday project management tasks
- Walk away with a solid start on creating your own PMBOK® based Project Management Plan
- Significantly improve your project planning effectiveness
